Dear Sirs,

We would like to thank the Southern Baptists for the privilege of partnering with you, especially through the Baptist State Convention of North Carolina for nearly two decades.

This letter is to inform you that Elevation Church is withdrawing its affiliation with the Southern Baptist Convention effective immediately. You will find that our Statement of Beliefs on our website is very much in line with the Baptist Faith and Message – we have no intention of changing those core beliefs.

We have no plans to make a public announcement on this decision – we have too much to do in reaching a world that needs the love of Jesus. Should your Credentials Committee decide to make this decision by Elevation public, we will only respond with a copy of this letter in anyone inquiring about the notification.

Thank you again for the privilege of having been affiliated with the SBC all these years. Please know that our withdrawal from affiliation in no way means that we will withdraw from praying for you and your ministries and mission work in the future – we are all on the same side! We pray that we will continue to be able to work alongside many SBC churches in the coming years. We know there is much we can do more effectively in partnership than we can do alone. May God bless the SBC and her churches in the years ahead.

In His Service,

Chunks Corbett
